**DEFENSE SECURITY COOPERATION AGENCY (DSCA) INTERNAL REALIGNMENT PROGRAM SUPPORT DIRECTORATE:** [The following is a reprint of SECDEF Washington DC message 042002Z, May 99 subject as above.]

1. Consistent with our strategic plan and efforts to improve service to our stakeholders, certain functions have been realigned within DSCA to form the Program Support Directorate (PSD) effective 1 May 1999. The following is a summary of the realignment to include missions, personnel and their responsibilities, and telephone numbers. The commercial area code and DSN prefixes for all telephone numbers are 703 and 664 respectively. The primary fax for PSD is (703) 604-6541.

2. The PSD will be comprised of the Program Management Division (PMD), Weapons Division (WP) and the Direct Commercial Contracts (DCC) Division. The PSD mission is to develop, maintain, and coordinate security cooperation procedural guidelines and implementing instructions for specific security cooperation activities listed below. Activities exclusively associated with country, regional, or legislative matters will remain under the purview of the regional country program director or the legislative and public affairs office. The following is a summary of each divisions responsibilities to include personnel.

3. PSD: The Program Support Directorate will consist of :

<u>Name</u>	<u>Position</u>	<u>Phone Number</u>	<u>Ext</u>
Col B. McMillan	Director	604-6642	342
Mrs. C. Gedse	Admin Assistant	604-6643	343

4. PMD: Serves as the agency's lead point of contact on matters concerning EDA; develops mechanisms and procedural guidelines related to security assistance/cooperation MOAs and MOUS under DSCA's cognizance; develops procedural guidelines for non-recurring costs (NC) waivers; maintains the security assistance management manual (SAMM) and associated security cooperation policies; serves as the agency focal point for such issues as transportation, LOA formats/procedures, and logistics; responsible for managing security cooperation international education and training to include FMS, IMET and E-IMET programs; and serves as DSCA's focal point for security assistance leases. Key personnel and phone numbers are:

<u>Name</u>	<u>Position</u>	<u>Phone Number</u>	<u>Ext</u>
Mr. K. Webster	Deputy Director	604-6638	380
Ms. B. Baker	SAMM/Trans Policy	604-6612	362
Ms. K. Job	EDA Program Manager	604-3718	369
Mr. S. Harris	EDA Program Specialist	604-6611	361
Ms. R. Verry	Int. Trng Policy	601-3672	308
Ms. K. Judkins	Int. Trng Policy	601-3719	370

---

5. WP: Maintains weapons technical expertise providing technical advise and information to the DSCA staff; manages major weapons sales where there is competition between U.S. firms; oversees DoD's participation in international air and trade shows; and develops DSCA position relative to commercial export licenses/technology transfer requests. Key personnel and phone numbers are:

<u>Name</u>	<u>Position</u>	<u>Phone Number</u>	<u>Ext</u>
Capt. B. Hill	Division Chief/Navy Programs	604-0243	383
Col. K. O'Connor	Division Chief/AF Programs	601-3723	387
Col. M. Clements	Army Int. Programs	604-6602	385
Col J. McAndrew	Fighter A/C	604-6603	386
LTC. P. Telander	Army Systems	604-6601	384
Ms. Pam Young	Munitions Control	601-3724	388

6. DCC: Manage, administer and serve as the agency lead on matters related to the foreign military financing direct commercial contracts (FMF/DCC) program. Key personnel and phone numbers are:

<u>Name</u>	<u>Position</u>	<u>Phone Number</u>	<u>Ext</u>
Ms. D. Woods	Contracting Officer	604-6630	351
Mr. J. Heiston	Contract Administrative	601-3712	356
Ms. D. Watson	Contract Administrative	601-3712	357

7. Realignment of these functions will assist DSCA in providing timely and effective supervision of security cooperation programs. We appreciate your patience during this transitional period and welcome your comments. POC for this action is Col. Brian McMillan, Director, PSD, (703) 604-6642.
